

European Regional Council

ITI European Regional Council (ERC) Report of ERC Activities 2022–2024

The European Regional Council of ITI is a coordination point of ITI National Centres from Europe. Through its existence and work it aims to strengthen the collaboration between ITI European Centres and helps to achieve the ITI goals in Europe. It abides by the core values of the International Theatre Institute: inspiration, inclusiveness, collaboration and transparency.

Activities 2022

Implementation of the 7th Meeting of ITI European Regional Council

The 7th edition of the European Regional Council was organized online by ITI Italy with the participation of the majority of European Centres on 22nd May 2022. In the online meeting 18 Centres participated. The participants were from Armenia, Croatia, Czech Republic, Estonia, Finland, France, Georgia, Germany, Hungary, Italy, Montenegro, North Macedonia, Slovakia, Slovenia, Spain, Sweden, Switzerland, United Kingdom.

Activities 2023

Informal Meeting during the ITI World Congress in Fujairah

An informal meeting of the European Regional Council was held at Fujairah during the ITI World Congress. It featured the participation of the majority of European Centres. Many topics were discussed among which the increasing of collaborations of European Centres of ITI.

All the ERC Meetings were coordinated by ITI Vice-President for Europe Fabio Tolledi. Over these years the collaborations between the European Centres increased a lot. The ERCs gave the opportunity to increase mutual knowledge and exchanges. A continuity was ensured with online ERC Meetings even in the time of the pandemic when all the sector of performing arts was hardly hit and mobility was prevented. A facebook page of the group is also available.
